SP ALTERNATIVE PHOTOGRAPHIC PROCESSES

FEES: TEENS: Donation \$60 payable to BACSAC

FEES: ADULT: Donation \$80 payable to BACSAC

Students pay a material fee of \$30 to the instructor in class.

Join this exciting hands-on introduction to alternative photographic processes in a workshop environment. All of these techniques are very 19th century, and come from the beginnings of photography itself—salted paper prints, Van Dyke Brown prints, Cyanotypes and Albumen prints. Using a "kitchen cookbook" approach, learn to create unique, hand-crafted images from readily available materials and common household supplies. No previous photographic experience is necessary, but curiosity and a willingness to experiment are mandatory. All materials supplied.
