

## **Neighborhood Arts and Cultural Centers**

The Department of Cultural Affairs (DCA) serves as a leader to generate and support high quality arts and cultural experiences for Los Angeles residents and visitors. DCA advances the social and economic impact of the arts and assures access to arts and cultural experiences through grant making, marketing, public and community arts programming, arts education, and creating partnerships with artists and arts and cultural organizations in every community in the City of Los Angeles.

DCA grants \$3.4 million annually to over 300 artists and nonprofit arts organizations and awards the Artist-in-Residence (A.I.R.) and City of Los Angeles (C.O.L.A.) Individual Artist Fellowships. It provides arts and cultural programming in numerous Neighborhood Arts and Cultural Centers and theaters, and creates arts and education initiatives for young people. The Department also directs public art projects and manages the City's Arts Development Fee, Art Collection, and Murals Program. DCA markets the City's cultural events through development and collaboration with strategic partners, design and production of creative promotional materials, and management of the [culturela.org](http://culturela.org) website.
