A show that brings together the works of a longtime L.A. art couple. The parallels between Picasso and Rivera. And a flashback to the culture wars. Here are five exhibitions and events to check out in the coming week:

“S/Election,” at the Los Angeles Municipal Art Gallery. Because too much election is never enough, the L.A. Municipal Art Gallery has put together a broad group show that examines issues of citizenship, identity, immigration and criminal justice. The show includes work by such socially and politically minded artists such as Jennifer Moon, Charles Gaines, Olga Koumoundouros and Rubén Ortiz-Torres. *Through Jan. 8. 4800 Hollywood Blvd., Hollywood, lamag.org.*
