WE ARE AMERICA @ The Madrid Theatre, Sherman Way. Now through December 31

Want to take a stroll down memory lane with a group of very pleasant and talented singers/dancers?

Visit **WE ARE AMERICA**, a world premiere musical salute to our veterans currently running at the spacious Madrid Theatre in Canoga Park. The above cast takes you through a myriad of old standards that your parents and maybe you grew up with, via song and dance. Each song is highlighted by smooth choreography and excellent vocals by a cast comprised of senior citizens age 62 and up. The costumes, by Benita Elliott, are dazzling. Waltzes, swing dancing, Tango, Cha-

Cha-Cha...it's all there. The instrumental accompaniment is recorded, but you don't really notice it as the singing carries each number.

For a pleasurable evening, take the drive out to Canoga Park and catch this velvety production!

Runs various times now through December 31, 2017. For tickets and information call (800)838-3006 or visit www.brownpapertickets.com/event/3097240 and for additional info: <https://pinklady.eventbrite.com>.
