Barnsdall Arts/FOJAC conducts Barnsdall Arts Sundays with the generous support of the Barnsdall Art Park Foundation and will continue offering free family art workshops via Zoom every Sunday through the end of May.

Barnsdall Arts Sundays will take place on ZOOM * Sundays from 10AM to 12 PM. ZOOM will allow for an interactive classroom environment and for the community to connect in cyberspace. Families, adults and children are welcome to join.

The current projects on the schedule address learning about patterns in different cultures and are adaptable to simple materials. The projects will be posted weekly at Barnsdallpark instagram along with the required materials.

Beginning at 10am, the project will be introduced and the teaching artist will be present to work with everyone and participants will be able to ask questions.
