

REQUEST FOR PROPOSALS
ADDENDUM # 2
December 17, 2021

Please be advised that the Proposition K component of the RFP has been removed and the Department of Cultural Affairs posted a revised *Request for Proposals for the Management, Operations, Programming, and Engagement of the Vision Theatre Performing Arts Center* on December 17, 2021.

Please note that demonstration of the Proposer's programming commitment to youth and families, in addition to community job training, remains in place as an integral part of the evaluation criteria for the Department of Cultural Affairs' request for a venue partner operator/programmer.

Proposals shall be based only on the material contained in the revised RFP, pre-proposal conference, amendments, addenda, and other material published by the City relating to the RFP. The Proposer must disregard any previous RFP draft material. Proposals must meet the requirements outlined in this RFP.

All Proposers who have already submitted a proposal must acknowledge any addendum(a) issued as a result of any change in this RFP on the Proposer Signature Declaration Page. Failure to indicate receipt of addendum(a) may result in a proposal being rejected as non-responsive.

The new proposal response due date and time is February 4, 2022 at 11:45 P.M. PST. We encourage current and potential proposers to monitor information released by the Department of Cultural Affairs and LABAVN. Any proposals already received may be resubmitted to incorporate new information by the extended deadline.

Please send any questions to dca.contractsunit@lacity.org with the title, Vision Theatre Performing Arts Center RFP, in the subject line.
