For decades DCA has utilized public/private partnerships to facilitate the delivery of diverse programming and services at its Community Arts Art Partner Centers. The **McGroarty Arts Center** is one of five (5) Art Partner Centers located throughout Los Angeles. Each center is distinct and offers programming unique to the communities it serves.

The selected proposer will be responsible for programming and operations at the **McGroarty Arts Center**. Responsibilities will include, but are not limited to, program conception and implementation, assessment and development; sales and marketing; audience demographics analysis; community engagement; staffing; financing (including fundraising campaigns); and administration. The selected proposer will also be expected to provide economic and social benefits to the immediate communities served by the facility.

Non-profit arts organizations interested in this opportunity must submit a proposal in accordance with the requirements set forth in this RFP. All materials submitted shall become a part of the proposal and may be incorporated in a subsequent contract between the City and the selected proposer(s). The City reserves the right to withdraw the RFP, to reject any proposal for noncompliance with the RFP provisions, or not to award a contract.

DCA advances the social and economic impact of the arts and ensures access to diverse and enriching cultural activities through: grant making, marketing, development, public art, community arts programming, performing arts, arts education, and building partnerships with artists and arts and cultural organizations in neighborhoods throughout the City of Los Angeles.

3. Art Partner Center Information

DCA will be conducting a tour of the facility for potential proposers. The date and time of the site visit will be provided at the mandatory pre-proposal conference.

McGroarty Arts Center

7570 McGroarty Terrace
Tujunga, CA 91042
Council District 7

The McGroarty Arts Center is located in the McGroarty home in the Verdugo Hills of Tujunga. The home "Rancho Chupa Rosa" was built as a private residence in 1923-24 for John Steven McGroarty, a poet, historian, dramatist, journalist and congressman. In 1954, the City of Los Angeles bought the home and 16 acres of adjoining land. The library was restored and dedicated in 1974.

Current programming includes affordable and/or free multidisciplinary arts instruction to youth, children, and families; in addition to performances, exhibitions and events that engage the greater public, while preserving the legacy of John Steven McGroarty and his historic home.

The house totals approximately 13,000 square feet and is a three story adobe structure that includes a caretaker apartment. It also has a parking lot.

Functional space includes:

- Two office space areas (2,857 sq. ft.)
- Five instruction areas on main floor (8,078 sq. ft. main floor, 3,748 sq. ft. upstairs, and 540 sq. ft. basement)
- Exhibition space (700 sq. ft. and 1,150 sq. ft. first floor, and 480 sq. ft. and 525 sq. ft. second floor)
- Performance space (8,078 sq. ft. main floor)
- Storage space (1,856 sq. ft.)
- Parking (40 spaces)

4. Rehabilitation of the Center

The Department of Cultural Affairs is undertaking assessments of the McGroarty Arts Center to determine needed repairs and to ensure compliance with building codes. Any work necessary to restore or rehabilitate the facility will be performed by the City of Los Angeles and will be planned during the course of the next two years, with a completion date as soon as possible based on the availability of City resources. As a safety measure,

the center, or specific areas of the center, may need to be closed temporarily during construction.

The City will try to minimize any impact from construction work undertaken at the center and will keep the selected operator of the center informed during the construction period.

5. Award of Contract

Selection of the successful proposer will be based on: responsiveness to the RFP; the feasibility of the proposed programs, services and budget; the demonstrated capacity to provide the proposed programs or services, with no less than ten (10) years of experience operating and managing art and educational facilities and programs; financial resources and capacity; the ability to generate community support and participation; and commitment to operate programs and services consistent with DCA's mission.

DCA intends to award a five-year contract to the top-ranked proposer for the facility. The five-year contract may be renewable at the City's sole discretion for up to five additional years. The City may exercise its option to renew annually to extend the contract for an additional year, for a maximum term of up to ten years, by giving written notice to the Contractor. The City shall pay the Contractor a fee for administrative services not to exceed \$30,000 annually. To support the administrative capacity and care of the McGroarty Arts Center, the Contractor will receive an annual stipend for a Live-in Caretaker, conditional on meeting the terms of the contract. The City will pay the yearly stipends in biannual payments.

The proposer that demonstrates the highest qualifications for providing the required services, at the highest overall value to the City, will be recommended for contract award. The contract will be subject to review by the City Attorney and the Mayor's Office, and approval by the Mayor and City Council, prior to contract execution and delivery of services.

The proposer to whom a contract is awarded shall be required to enter into a written agreement with the City of Los Angeles. This RFP and the proposal, or any part thereof, will be incorporated into and made a part of the final contract.

The contract will include a cancellation and termination clause that allows the City or the contractor or both to mutually or unilaterally cancel or terminate the contract without cause upon 90-day written notice.

During the term of the contract, the contractor will be required to maintain insurance levels that are deemed necessary by the City Risk Manager. The contractor will be required to comply with all City contracting laws and requirements, as well as hiring and wage requirements, absent an action by City Council exempting the contractor from compliance. The contractor will also be required to comply with the Standard Provisions for City Contracts attached hereto as Attachment A.

All potential respondents are required to complete the Los Angeles Residence Information form, Attachment L, and submit the form with their Proposal.

Any contract awarded pursuant to this RFP will be subject to the Contractors' Use of Criminal History for Consideration of Employment Applications Ordinance, Section 10.48 of the Los Angeles Administrative Code. The Ordinance provides, among other things, that contractors/subcontractors with at least 10 employees are: prohibited from seeking a job applicant's criminal history information until after a job offer is made; must post Contractors' Use of Criminal History for Consideration of Employment Applications Ordinance information in conspicuous places at worksites; and cannot withdraw a job offer based on an applicant's criminal history unless a link has effectively been made between the applicant's criminal history and the duties of the job position.

Proposers seeking additional information regarding the requirements of the Contractors' Use of Criminal History for Consideration of Employment Applications Ordinance may visit the Bureau of Contract Administration's web site at bca.lacity.org.

18. City Contracts Held Within the Past Ten Years (Attachment N)

The Los Angeles City Council passed a resolution on July 21, 1998, requiring that all proposers supply in their proposal a list of all City of Los Angeles contracts held by the proposer or any affiliated entity during the preceding ten (10) years. The City of Los Angeles Contract History form is attached as Attachment N. DCA reserves the right to further negotiate the terms and conditions of the contract. DCA reserves the right to withdraw this RFP, to reject any proposal for non-compliance with RFP provisions, or not to award a contract at any time due to unforeseen circumstances or if it is determined to be in the best interest of DCA.

2. Public Records Act

All proposals submitted in response to this RFP shall become the property of the City of Los Angeles and will be a matter of public record, subject to the State of California Public Records Act (California Code Sections 6250 et seq.). Any Proposer claiming such exemption must identify the specific provision of the CPRA that provides an exemption from disclosure for each item that the proposer claims is not subject to disclosure under the CPRA. Please note that the wholesale use of headers/footers bearing designations such as "confidential," "proprietary," or "trade secret" on all or nearly all of a proposal is not acceptable and may be deemed by the City as a waiver of any exemption claim. The identification of exempt information must be more specific.

This copy must identify what specific information (if any) in their proposal that they claim, in good faith, is exempt from disclosure under the CPRA.

Each and all conditions herein contained to be performed by proposer shall be binding on any consented transferee thereof.

5. Information Requested and Not Furnished

The information requested and the manner of submission are essential to permit prompt evaluation of all proposals. Accordingly, DCA reserves the right to declare as non-responsive and reject any proposals in which information is requested and is not furnished or when a direct or complete answer is not provided.

Los Angeles, CA 90012
E-mail: dca.contractsunit@lacity.org.
Use subject line: McGroarty RFP Question(s)

Deadline to submit RFP Questions is November 14, 2023.

While a proposer may ask questions about the RFP, DCA shall be the sole judge of whether or not an answer is required. All questions submitted in writing by a proposer and answered by DCA will be posted on www.rampla.org as an Amendment to the RFP.

Any oral communication between a proposer and a City employee is not binding on DCA or the City of Los Angeles.

12. Standard Provisions for City Contracts

Any contracts entered into as a result of this RFP are subject to the Standard Provisions for City Contracts (Rev. 9/22) [v1], which are included as Attachment A to this RFP.

13. Accuracy and Completeness

The cover letter and proposal must set forth accurate and complete information as required in this RFP. Unclear, incomplete, and/or inaccurate documentation will not be considered. Falsification of any information may result in disqualification from the selection process, or in termination of a contract, if discovered in the future. If a proposer knowingly and willfully submits false performance or other data, the City reserves the right to reject the proposer's proposal. If the City determines that a contract

was awarded as a result of false performance or other data submitted in response to this RFP, the City reserves the right to terminate the contract. Portions of a proposal that include content from this RFP that have been altered in any manner must be footnoted and referenced in a separate appendix to the proposal.

14. Confidential Information

Proposals made in response to this RFP may contain technical, financial, or other data whose public disclosure could cause substantial injury to the proposer's competitive position or constitute a trade secret. To protect such data from disclosure to the extent permitted by law, the proposer should specifically identify the pages of the proposal that contain confidential information by properly marking the applicable pages and inserting the following notice in the front of the proposal:

“NOTICE”

“The data on the pages of this proposal identified by an asterisk (*) or marked along the margin with a vertical line, contain information which are trade secrets and/or whose disclosure would cause substantial injury to the proposer's competitive position. The proposer requests that such data be used only for the evaluation of its proposal, but understands that disclosure will be allowed to the extent that the City determines that the data or information is not confidential and must be released pursuant to federal, state, or local law.”

In proposals containing proprietary information, proprietary paragraphs and/or other data should be clearly marked as noted above. **The proposer must include one additional unbound copy of the proposal with the confidential material totally blacked out or removed from the text so that one copy is available as public material. In accordance with the California Public Records Act, this information may, upon request, be released to the public including the blacked out or removed material if determined by the City that disclosure pursuant to the law is required.**

The City assumes no responsibility for disclosure or use of unmarked data for any purposes. In the event properly marked data are requested, the proposer will be advised of the request and may expeditiously submit to the City a detailed statement indicating the reasons it has for believing that the information is exempt from disclosure under federal, state, and local law. This statement will be used by the City in making its determination as to whether or not disclosure is proper under federal, state, and local law. The City will exercise care in applying this confidentiality standard, but will not be held liable for any damage or injury that may result from any disclosure that may occur. The proposer agrees to assume and pay for all costs incurred by the City, including attorneys' fees awarded by a court, if proposer requests the City to resist disclosure of material provided to the City by the proposer, provided the City determines the said materials are exempt under federal, state, and local law. Further should a proposer request that portions of the proposal remain confidential and not be disclosed, the proposer must confirm assurance to indemnify, defend and hold harmless the City of Los Angeles by including the following statement in the cover letter:

“The proposer agrees to indemnify the City and its officers, employees, and agents, and hold them harmless from any claim or liability and will defend any action brought

against the City for its refusal to disclose copyrighted material, trade secrets, or other proprietary information to any person making a request therefore.”

Failure to include such a statement shall constitute a waiver of a proposer’s right to exemption from disclosure.

Note that wholesale use of headers/footers bearing designations such as “confidential”, “proprietary”, or “trade secret” on all or nearly all of a proposal is not acceptable, and may be deemed by the City as a waiver of any exemption claim. The identification of exempt information must be more specific.

15. Signature Requirements

All documents, forms, attachments, appendices, and exhibits, including the cover letter, must be signed by a representative or officer of the proposer. That representative shall have authority to bind the proposer to all provisions of the proposal, the RFP, any subsequent changes, and to the contract if an award is made.

If the proposer is a partnership, the proposal and cover letter must be signed in the name of the partnership by a general partner thereof. If the proposer is a corporation, the proposal and cover letter must be signed on behalf of the corporation by **two (2)** authorized officers (a Chairman of the Board, President or Vice-President and a secretary, treasurer or chief financial officer) or an officer authorized by the Board of Directors to execute such documents on behalf of the corporation.

All above signatures must be original and in ink.

16. Costs Incurred by Proposers

All costs of proposal preparation shall be borne by the proposer. The City shall not, in any event, be liable for any pre-contractual expenses incurred by the proposers in the preparation and/or submission of the proposals. Proposals shall not include any such expenses as part of the proposed budget.

The City will not provide parking, clerical, office/storage space, telephone services or reproduction services throughout the proposal process.

PROPOSERS ARE STRONGLY ENCOURAGED TO READ THE GENERAL REQUIREMENTS CAREFULLY AND TO PROVIDE ALL REQUESTED INFORMATION.

17. Prohibition of Communication During RFP Evaluation Period

After the submission of proposals and continuing until a contract has been awarded, all City personnel involved in the project will be specifically directed against holding any meetings, conferences or technical discussions with any proposer except as provided in the RFP. Proposers shall not initiate communication in any manner with City personnel regarding this RFP or the proposals during this period of time, unless

authorized, in advance, by the City. Failure to comply with this requirement may terminate further consideration of that proposer's proposal.
